Welcome to our Club

On behalf of GARFORTH VILLA FOOTBALL CLUB, we would like to welcome all parents and carers to the Club and provide you with some important information. We hope that it will help you to appreciate the Club, the efforts of all the coaches and committee members and help promote your child's enjoyment of football.

Our Committee is made up of people with vast experience of developing young people and adults with two of them being teachers. Minos Perdios, our Chair, has a UEFA B qualification as well as an MSc in Sports Coaching. He has set up football youth development programmes both in the UK and abroad. Our Committee are great believers that through sport we can have a positive influence on people and, through a modern holistic approach, develop the whole person.

We are company limited by guarantee and are 'not for profit'. This means that all our players aged 18+ and parents of players under the age of 18 are members and such you have full voting rights to select the board members every year. It also means that our members do not take any profits from the company. Any profit made by the company is re-used for the good of the Club and its members, which includes our players.

GARFORTH VILLA FOOTBALL CLUB was first established in 1970 and was originally a junior football club. The Club has grown since then and we now have adults playing for our Club.

We now have over 550 boys and girls, starting from the age of 4 in our Mini Villa sessions, to playing organised football at Under 7 (U7) to Under 18 (U18). In 2025 we will have three Women's team playing in the West Riding Women's Beginner League. We will also have a Vets team (over 35s) and our Walking Football. For the first time we will be holding training sessions as part of our new pan disability group. This will be led by our Club Development Manager, Natalie Sarabia-Johnston. This means that we will have over 700 players.

We are a 2* accredited club with the Football Association (FA) - this means we are affiliated to our county FA (West Riding County FA) and comply with the rules and regulations set down by the FA. These rules and regulations mean that all our Lead Coaches and managers are trained to a minimum of an FA Level 1 Coaches certification. All other coaches that help and support them will have undergone checks by the Disclosure and Barring Services and have been approved to work with children. All the Coaches and officials of the Club are volunteers and give their time and effort freely.

Our junior teams play on a Saturday in the Selby & District League and on a Sunday in the Garforth Junior Football League. The U7 to U11 age groups play friendly league fixtures, whereby no official register is kept of the outcomes of the games and there is no league table; however, the teams may participate in Cup Competitions, both within their leagues and other leagues. U12, U14 and U16 teams that play on a Sunday will compete in the WRCFA County Cup and Barkston Ash District Cups. U11, U13, U15, U17 teams that play on a Sunday compete in the Leeds & District Cup.

Mini-Villa sessions are available for children aged from 4 to 6 years. The sessions take place on Sunday Mornings. Our Women's team play in the West Riding Women Beginner League on a Sunday and our Vets team will play on Mondays. Walking Football will continue to train on Wednesdays and play in tournaments.

We place our players interest at the centre of all our activities. We are committed to ensuring that they play in a safe, friendly and supportive atmosphere and environment. We place the emphasis on player members enjoying the game and participating in all activities.

We believe that as parent/carers you also play an active and important role in upholding the ethos and spirit of our Club and the football played. We greatly value your interest and involvement in the Club for the benefit of your child and others. We welcome and encourage parent/guardian participation in the Club's activities and we look forward to your participation in social events. We are always looking for those extra pairs of hands to assist in the necessary duties on training and match days. So please feel free to volunteer or have a word with your child's Manager or coaching team, especially if you know you have a skill set that could be used to benefit the Club.

If you have any issue or concerns while your child is at our Club, please inform your child's team's Lead Coach/Manager or our Welfare Officer, Christine Pinkney. Christine. Her contact details and those of all the Club Committee members can be found on page 4 alongside additional, helpful, contacts.

We strongly encourage all parents and carers to do the FA's Safeguarding Awareness for Parents and Carers course which is free and can be done online. Please click on the link below for more details.

Safeguarding Awareness for Parents and Carers | England Football Learning

In the unlikely event of any problems, there is a complaints procedure in place within our Club and is outlined on page 17.

The club hosts several fun and eventful fundraisers throughout the year, and we warmly welcome you to attend. In addition to the general Club fundraising, we also fundraise specifically for when each team reaches the Under 12 age group to give them the opportunity to represent the Club on tour either in the UK or abroad e.g. previous years have chosen and fundraised to go to Spain, Holland or Belgium.

Our objective, as a Club, is to promote the enjoyment of football, and in doing so enhance the level of football skills and sense of community for all players and supporters, through the arrangement of training, matches and social activities.

We hope your child has many years of enjoyment with us and we look forward to seeing you on our touchlines and at our social events.

Being a Garforth Villa Player

How do I register?

We use a system call Sportmember to handle our subs registration and payments. You can pay in instalments or in full.

Please note the full amount of subs is due even if the player leaves the club during the football year (September to June). No refunds are given for players paying in full.

If you have registered in previous years you will receive an email in August about confirming your payment options for this year.

Why do we need membership fees?

GARFORTH VILLA FOOTBALL CLUB is run as a not-for-profit Club and, therefore, all fees cover match day and training costs, equipment, all required coaching/safeguarding/first aid courses, insurance etc.

What are the 2025/26 season membership fees?

- Full Playing Rate: £255, (This includes a match day playing kit).
- Sibling Playing Rate: £191.25, (This applies if you have at least one child paying the full playing rate and includes playing kit).

  *This will ONLY apply when the SAME parent using the SAME email address is listed for all siblings.

When you register you can pay in full or by instalments, taken as equal monthly payments (£25.50 per month). Instalments are taken by Direct Debit and you will make 10 payments if you register in September, 9 payments if you register in October, 8 months if you register in November etc.

Training and Match Day Kit & Equipment

1. All players must have shin pads, appropriate protective clothing (for example goalie gloves) and footwear suitable for the playing surface.
2. Players should bring a drink to every match or training session; due to hygiene concerns the club will no longer provide water bottles.
3. No player should train or play with jewellery.
4. Any player requiring glasses should, where possible, wear contact lenses or sports glasses, anyone choosing to train in normal glasses does so at their own risk. Please refer to the relevant League guidelines for match day information.
5. All long hair should be appropriately tied back.
6. For Junior players (U18's), it is each parent/carer's responsibility to ensure that their children are suitably dressed for the weather for all matches and training sessions. Football can be played in very cold and wet conditions and children need to be suitably dressed. Please take note of the following:

As a Club we recognise that, during cold weather, it is difficult for players who are on the touchline. Each Manager will endeavour to rotate players, however, as a

minimum, players should attend training and matches with a coat or training jacket to wear over their kit. Under kit thermals are also highly recommended, which must be the same colour as the match day kit (shorts and tops).

Dropping off and Collecting Players at Training and Matches

For children 13 or under:

1. Players should be collected from training and matches by a parent or designated adult.
2. If someone else is collecting your child, please ensure that the Coach knows of the arrangement.
3. We recommend that, when taking and collecting your children to and from training, you accompany them to and from the pitch for their safety.
4. If you are late collecting your child, please contact the Coach who will arrange to stay with your child until you arrive. Please try to be on time and respectful of the coach's time.
5. All parents are responsible for their children if they are allowed to travel home on their own.
6. We advise you to tell your children not to go home with anyone else unless you have agreed with them in advance, even if they know the person concerned.

Club Organisation and Funding

Match Day Playing & Training Kit

Match Day Playing Kit

The Club will fund a new match day playing kit every two years. The kit is expected to last two seasons and each team is encouraged to seek sponsorship towards this. Any kit replaced after a year must be paid by sponsorship only.

*The new playing kit is due for the 2025/26 season and will last for two seasons, although the committee does reserve the right to extend the change for one year.

Training Kit

The new training kit will be launched in 2025.26 season and will be the same kit for 5 years. This is to make it easier for parents and players to purchase the training without fear that it will change in a year or two. We encourage every player to purchase the training kit and this can be purchased through the club's website.

Club Shop | Garforth Villa FC

Fundraising

The club hosts an annual football gala, the profits of which are split equally between the club and the teams going on tour the following year. This is part of the 'Tour' fundraising, which pays for that age group, the following year, to experience playing football in a different environment to that of league football. Each team playing in the Gala will be required to sell a minimum number of gala programmes **(10 programmes for each player)**, which should be sold door to door in the Garforth

area to satisfy advertiser's requirements. Parents of the tour team are expected to participate fully in this event and other age groups will also be asked help.

Website

Each team is requested to nominate a person, who will become responsible for adding relevant news on the Clubs Facebook page. This role is open to all parents/carers and will be supported by the work of our Social Media Officer, Emma Speight.

Player Welfare

We take the welfare of all players very seriously, as can be seen in our policies listed on page 11. If you have any concerns please do not hesitate to contact the Club by using the contacts provided on page 4. It is important that your child is happy and enjoys themselves whilst at the Club and, therefore, we ask all players to adhere to the codes of conduct. In addition, a disciplinary/behavioural procedural policy has been established, in order for all players to feel the Club is a safe and happy environment in which to enjoy football. This procedure can be found on page 12.

To prevent 'Burn Out' of Player Members (as indicated by FA Rules) each junior team must take a minimum of a 6-week break from training between May and August.

Any Player who registers with an official professional club Academy, thus unable to represent our club, will receive an award in recognition of this achievement. In addition, any player who represents the club with 10 years unbroken service from Under 7 to Under 18, will receive an award in recognition of their dedication to our Club.

Presentation Day

The Club hosts an Annual Presentation Day and everyone who has represented the club, throughout that football season, will receive an award. The Club also presents two special awards for outstanding dedication and achievement on or off the field of play: The Spadger Cup, which is awarded to a junior player; and The Extra Mile Cup, which is awarded to an adult volunteer.

Sponsorship

The cost of running an amateur club are substantial, therefore, we are constantly seeking business support to offset some of these costs, thereby enabling the club to flourish. We are always looking for the right sponsor to reap the benefit of over 650 players, and some 1500 associated supporters, who are playing home and away every week. Our aim is to ensure that the expectation of all sponsors is met in a manner consistent with the objectives, strategy, and culture of the club. We have categorised the sponsorship packages into various opportunities to meet the varying degrees of budget and support for the club, individual teams, and players. In addition, we are happy to explore all elements of sponsorship with the partner that shares the same vision and passion for amateur football.

Club Sponsor

£5,000 (2 years sponsorship)

A Club sponsor has their name on the sleeve of every playing kit in the Club as well as Club hoodie. The sponsorship lasts for 2 years. The Club Sponsor will be provided with a framed team photo suitable for display and a personalized letter of thanks from the Club's committee. The Club Sponsors will also be invited to take part in our end of season presentation and Gala, which over 2,000 children and parents attend, for further photo and publicity opportunities.

Team Kit sponsor

£500 (2 years sponsorship)

A Team Kit sponsor sponsors a team's playing kit. The Team sponsor will have their logo displayed on the front of the respective team's playing shirt. Sponsors will be provided with a framed team photo suitable for display and a personalised letter of thanks from the team members. Sponsors will also be invited to take part in our end of season presentation for further photo and publicity opportunities.

Gala sponsor

£500

Our annual gala is held in second half of June over two days and is a festival of 6 a side football for age groups from under 6 to under 16. During this weekend the park is a hive of activity with 150+ players participating and over 1,500 supporters visiting the park. The Gala sponsor will have the chance to display their logo prominently on signage at the gates and at multiple points around the park. The Gala sponsor will

also be featured on the front cover of our tournament programme and will be given a full page story and advertisement within the programme. Gala sponsor will play a key role in the Gala prize giving with numerous chances for further photo and publicity opportunities. The funds raised from the tournament all go to the ongoing running of the club and a percentage goes to the U12 teams to provide funds for their tour the following year.

Disciplinary Notice – Yellow and Red Cards

Please be reminded that any yellow or red cards received during matches will be your financial responsibility. These cautions will be added to your SportMember account. If fines remain unpaid, you risk being de-registered from the club.

Disciplinary Action:
Persistent cautions will not be tolerated. Should you continue to receive cards, you will be asked to attend a disciplinary meeting with the club. Accumulating cards is not acceptable at grassroots level and demonstrates a clear disregard for the Respect Codes of Conduct.

We urge all players to focus on simply enjoying the game. Avoid unnecessary confrontations and walk away from heated situations. Do not argue with referees — their decisions are final, whether you agree or not. Only the team captain is permitted to speak with the referee.

Let’s uphold the values of respect, discipline, and sportsmanship that this club stands for.

Codes of Conduct

A full version of FA codes of conduct can be found on the GARFORTH VILLA FOOTBALL CLUB website. Completion of a membership application implies agreement to abide by these.

Parents/Spectators Code of Conduct

Parents/spectators have a great influence on children's enjoyment and success in football. All children play football because they first, and foremost love the game — it's fun!

Remember that positive encouragement will contribute to:

- Children enjoying football
- A sense of personal achievement
- Good self-esteem
- Improvement in the child's skills and techniques

Parents/spectator's expectations and attitudes have a significant bearing on a child's attitude towards other players, officials, managers, and spectators.

Parents/spectators within GARFORTH VILLA FOOTBALL CLUB should be positive and encouraging towards all our children, not just their own. Parents and spectators are encouraged to:

- Applaud the opposition as well as our own team.
- Avoid coaching the child during the game. Let the coaches do their job and do not to tell them what to do as can cause player confusion.
- Refrain from shouting and screaming and never engage in or tolerate offensive, insulting or abusive language or behaviour.
- Respect the referee's decision and encourage the player to do so.
- Give attention to each of the children involved in football, not just the most talented, support positively. When a player makes a mistake offer then encouragement not criticism.
- Ensure that other parents/spectators within the club agree and adhere to the club's Code of Conduct and Child Protection Policy.
- Not to be critical of the managers and coaches during the game or at training and to speak to them privately after these have finished unless there is a welfare issue.
- Remain behind the touchline spectators' barrier and never enter the field of play.

If the parent/spectator does not follow the Code of conduct any/all of the following actions may be taken by the Club, County FA, or the FA

- Issued with a verbal warning from the club or league official.
- Required to meet with the club league or County FA Welfare Officer.
- Obliged to leave the match venue and requested not to attend future games.

- Obliged to undertake a FA respect education course.

A Player's Message to Parents

"Thanks for coming to support me today. As my friends and I play, I want you to remember a few things please:

- *I am here to have fun, please encourage me and all the other players no matter which team we play for.*
- *You are representing me; please do not embarrass me by being negative, shouting or swearing.*
- *Please do not stand too close to the pitch, this can distract me from my game and I can't concentrate properly.*
- *Please do not question the referee's decision; our coaches will give us help if we need it.*
- *Do not coach me from the side, my coach is here to teach me and too many instructions will confuse me.*
- *I think doing my best and learning to play is more important than winning. Do not tell me the score; tell me to have fun.*
- *Praise me for good skills, sportsmanship, discipline and effort. These are the things that make me a real winner.*
- *Do not criticise my mistakes as I will be scared to try things again. Mistakes will make me better as I can learn from them.*
- *Please do challenge any spectators that behave the wrong way. Tell them that we don't allow negative behaviour.*
- *We have a responsibility to look after our environment, please do not drop litter. Take it home or put it in a bin.*

I hope to make you proud of me. ...Please make me proud of you as well."
